

STROHMAIER consulting – accompanies entrepreneurs since January 2001

Expect from **STROHMAIER** consulting:

- ’ We accompany you in every phase of the business life cycle – from Start up via expansion to necessary change.
- ’ We support you at producing a significant business plan
- ’ make available the option to possible grants and finance possibilities, that strengthen your liquidity and
- ’ organise with you an expressive controlling – overview the most important information “at a click”.
- ’ And if you are willing to buy an existing company or sell your own – then you can expect a valuation of your company and we sound your maneuvering room of importance to you.

Together we identify the potential for optimisation and though this your competitive advantage to succeed on your market.

- ’ As registered expert for business economics and management consultancy, sworn in and certified by the commercial court of Vienna I recommend myself with my statement of an expert.
